PRACTICAL | TECHNICAL | APPLIED

## **Reduce antibiotic use and increase profit ... strategies for successful dairy farming**

**Join IfA's livestock team for a morning workshop discussing practical strategies to reduce antibiotic use on dairy farms**

**23<sup>rd</sup> January 2018, 10:30 - 12.30**

**Venue: The Tongue Suite, Stafford County Showground,  
Weston Road, Stafford, ST18 0BD**

**Participants will go home ...**

- **better informed about reducing antibiotic use on dairy farms**
- **with practical, time saving strategies to introduce on farm**
- **informed about the economic gains that can be made from reducing antibiotic use**
- **motivated to play our own parts in giving our children, and theirs, a realistic chance of avoiding the possibly fatal consequences of an antibiotic-resistant infection**

**Places are limited, so booking is essential**  
**Lunch provided**

**Book your FREE place at:**
