

**A clear solution
for farmers**

CATCHMENT SENSITIVE FARMING

INNOVATION for AGRICULTURE

You are invited to join CSF and IfA at this FREE event on:

Making the Most of Your Soils

**An interactive workshop on soil health with CSF and
Nuffield Scholars from Innovation for Agriculture**

Wednesday 19th December 10:30am – 3:30pm

10.30am registration & refreshments

George & Dragon Public House, 2 The Street, Thurton, Norwich NR14 6AL

(On the A146, 8 miles South East of Norwich – plenty of parking on site)

Guest speakers include:

Joe Collins & Andy Howard

from Innovation for Agriculture

Topics will include:

- Improving your soil health.
- Technical Soil Health (reducing losses of Nitrate, Phosphate, Sediment and Metaldehyde)
- Soil Management – reducing compaction, soil cultivations, soil husbandry
- Practical session to demonstrate soil Biology, Chemistry and Physics.

Booking is essential - Numbers are limited and places will be allocated on a first-come, first-served basis. Booking details will be taken by CSF and IfA via Eventbrite.

For further information contact:

Donna Dean 07776 483464 Donna.dean@naturalengland.org.uk

or to book a place go to:

<https://thurton19dec.eventbrite.co.uk>

Lunch will be provided. BASIS points available.

Natural England takes looking after your data as seriously as we take looking after the environment. Your data is only used by us so we can email, call, write or text you about our Catchment Sensitive Farming work. This will include advice, access to grants, events and campaigns.

We hope you want to hear from us but you can change your preferences or mind at any time by emailing us on:

catchmentsensitivefarming@naturalengland.org.uk. For more information: <http://bit.ly/csfprivacy>.

Natural England's Information Charter: <http://bit.ly/naturalenglandinfo>

Catchment Sensitive Farming (CSF) is delivered in partnership by Natural England, the Environment Agency and Defra.
