

**A clear solution
for farmers**

CATCHMENT SENSITIVE FARMING

You are invited to join CSF and IfA at this FREE event on:

Enrich your soils (advanced)

An interactive workshop on improving soil health and fertility
with CSF and Innovation for Agriculture

On Thursday the 21st February 2019, 10.30am to 3.30pm

The Byre, Bootle, Cumbria, LA19 5TJ

Lunch provided

Topics will include:

- Understanding your soil health.
- Improving soil health.
- Measuring soil health.
- Practical session to demonstrate soil biology, chemistry and physics.

Booking is essential - Numbers are limited and places will be allocated on a first-come, first-served basis. Booking details will be taken by CSF and IfA via Eventbrite.

For further information contact Rosie Law on 07776 498 641
To book a place please go to <https://bootle21feb.eventbrite.co.uk>

BASIS points available

Natural England takes looking after your data as seriously as we take looking after the environment. Your data is only used by us so we can email, call, write or text you about our Catchment Sensitive Farming work. This will include advice, access to grants, events and campaigns. We hope you want to hear from us but you can change your preferences or mind at any time by emailing us on: catchmentsensitivefarming@naturalengland.org.uk. For more information: <http://bit.ly/csprivacy>.
Natural England's Information Charter: <http://bit.ly/naturalenglandinfo>

Catchment Sensitive Farming (CSF) is delivered in partnership by Natural England, the Environment Agency and Defra.
