

**A clear solution
for farmers**

CATCHMENT SENSITIVE FARMING

INNOVATION for AGRICULTURE

south east water

You are invited to join a FREE event:

Building your soil organic matter

An interactive workshop
with CSF and
Innovation for Agriculture (IfA)

Wednesday 27th February 2019 – 1.45-5.30pm

Dorney Village Hall,
Off Meadow Way (Junction with Oak Stubbs Lane)
Dorney Reach, Maidenhead, SL6 0DS

Arrive at 1.45pm for registration & refreshments

Guest speakers:

Andy Howard & Joe Collins
from
INNOVATION for AGRICULTURE

Topics will include:

- CSF and soil issues in the catchment
- Soil fundamentals and the opportunities to reduce inputs & save costs as soil health improves with increased soil organic matter
- The practical ways to increase soil organic matter, including cover crops and green manures, compost, sewage sludge, biochar, incorporated straw, rotations and re-introducing livestock to the arable farm, and importing organic manures.

Booking is essential. To reserve a place and for further information, please contact
