

**A clear solution
for farmers**

CATCHMENT SENSITIVE FARMING

INNOVATION for AGRICULTURE

You are invited to join CSF and IfA at this FREE event on:

Making the most of your soils **Soils Health, Challenges, and Opportunities**

This will be an interactive workshop and presentation session with CSF & Innovation for Agriculture

- You will be able to raise concerns and challenges with regards to soil conditions on your farm
- CSF members will be available to provide technical support and further opportunities with funded/grants benefits

27th March 2019, 10:30 to 15:30

10:15 registration & refreshments

**Lower Pertwood Organic Farm, Lower Pertwood Cottages, Hindon,
Salisbury, SP3 6TA (Note: Sufficient parking is available at Farm)**

Guest speakers include Stephen Briggs and Deborah Crossan from IfA

Topics will include:

- Improving your soil health and general benefits.
- Improved soil management for maize – challenges and opportunities
- Technical soil health talks (focus on reducing losses of nitrate, phosphate, sediment and metaldehyde)
- Reduced cultivations, - minimum tillage – and benefits
- Farm walk – Lower Pertwood Organic Farm, SP3 6TA

Booking is essential - Numbers are limited and places will be allocated on a first-come, first-served basis. Booking details will be taken by CSF and IfA via Eventbrite.
