

**A clear solution  
for farmers**

CATCHMENT SENSITIVE FARMING

INNOVATION for AGRICULTURE

You are invited to join CSF and IfA at this **FREE** event on:

# Making the Most of Your Soils

An interactive workshop on soil health with Catchment Sensitive Farming & Innovation for Agriculture

**Tuesday 26<sup>th</sup> March 2019 10:30am – 3:30pm**

**BASIS POINTS AVAILABLE**

**10.30am registration & refreshments – LUNCH INCLUDED**

**Little Hadham Village Hall, The Ford, Little Hadham, Ware SG11 2BP**

Speakers include

**David Miller (Hampshire  
farmer/adviser experienced in  
min/no till)**

## PROGRAMME FOR THE DAY:

- An IfA farmer sharing their experiences on cover crops, companion planting, min-till/no-till and soil carbon cutting toolkit.
- Strategies to improve soil health, crop health and farm profitability (including reducing the black grass burden)
- Land management systems to reduce losses of Soil, Nitrate, Phosphate and Sediment.
- Catchment Sensitive Farming: capital item/land management options to protect water quality available through Countryside Stewardship.

**BOOKING ESSENTIAL:** If possible, please book via Eventbrite [here](#)
